PANDIT DEENDAYAL ENERGY UNIVERSITY

Raisan, Gandhinagar - 380007, Gujarat, India

Computer Science Engineering Department

Certificate

This is to certify that Mr. Ravi Jamanbhai Makwana Roll no. 21BCP418
of 3rd Year B. TECH Degree in Computer Science Engineering has
satisfactorily completed his term work in computer network (20CP301P)
Laboratory subject during the semester from to at School of Technology,
PDEU.

Date of Submission:		
Signature:		

Faculty In-charge

Head of Department

INDEX

			Signature
08/23	Simulation of Various		
	Networking Topologies		
08/23	Simulation of Virtual Local		
	Area Network		
08/23	Simulation of Spanning Tree		
	Protocol (STP)		
09/23	Simulation of Routing		
	Information Protocol (RIP)		
10/23	Simulation of Static Routing		
	in Cisco Packet Tracer		
10/23	Simulation of Open Shortest		
	Path First (OSPF)		
11/23	Introduction to Socket		
	Programming (TCP client-		
	server)		
11/23	Write a program for		
	interactive application using		
	UDP socket		
11/23	Configure DHCP and SMTP		
	in a small LAN		
11/23	Study of Wireshark and		
	understand its functionality
